Dear Mr. Francis:

This letter is in response to your communications of June 4, 1997 regarding Adelpia Communications Political Action Committee ("Adelpia PAC"). In your two letters, you cite errors in Adelpia PAC's 30 Day Post-General Report (10/1/96-11/25/96) and Year End Report (11/26/96-12/31/96).

We have been retained to assist Adelpia PAC in responding to your request. We are writing today because we understand that you requested a response within fifteen days of your letters. Although Adelpia PAC is not yet prepared to file a complete set of amended reports, the committee has begun to remedy the errors you noted and will file amended reports as soon as possible.

You also asked Adelpia PAC to inform the Commission immediately of the corrective action taken with regard to the two contributions in excess of the limits for non-multi-candidate PACs. Enclosed please find a letter from the campaign to which those contributions were made transmitting a refund of the excess amounts. A copy of the refund check is also enclosed. Adelpia PAC's amended reports will reflect this corrective action.
